A.7 OPERATIONAL STRATEGY	11

1. Why Pondicherry?

Puducherry is an ideal pilot city for deployment of 10 WoLoo Powder Rooms by Gramonnati Trust due to its unique combination of tourism, spirituality, healthcare infrastructure and manageable urban scale.

Gramonnati Trust itself is headquartered in Puducherry, giving the project a major advantage through strong local knowledge, existing networks, faster coordination with authorities and deep understanding of the city's social and administrative ecosystem.

The Union Territory administration of Puducherry is also comparatively compact, accessible and supportive for public welfare and tourism-linked infrastructure initiatives. Faster decision-making, easier inter-departmental coordination and strong focus on tourism and urban cleanliness make Puducherry highly suitable for a pilot sanitation project that requires collaboration with municipalities, tourism authorities, hospitals and public institutions.

Strategic Advantages of Puducherry Pilot

- High tourism density
- Compact geography
- Strong spiritual tourism
- Large hospital ecosystem
- International visitors
- Strong CSR visibility
- Easier administrative coordination

Despite being a relatively small Union Territory, Puducherry attracts very high tourist footfall throughout the year, especially along the Beach Boulevard, White Town and ECR tourism corridor. The city is also a globally recognised spiritual destination due to Sri Aurobindo Ashram, Auroville and the famous Manakula Vinayagar Temple, which attract domestic and international visitors, including a large number of women travellers and senior citizens requiring clean sanitation facilities.

The Chennai–Puducherry ECR corridor has heavy tourist and highway traffic, creating strong demand for premium hygiene infrastructure at transit and fuel station locations. In addition, major healthcare institutions such as JIPMER, Aravind Eye Hospital and the Government General Hospital generate large daily visitor movement from across South India.

Puducherry therefore offers the perfect environment to establish a visible, high-impact, financially sustainable and nationally replicable WoLoo model.

2. Objectives

To establish 10 smart WoLoo Powder Rooms across Puducherry to:

- Provide WoLoo Services to augment and fill gaps in “women sanitation” in the city with high tourism.
- Prove the efficacy of WoLoo CSR based model within 6-9 months.
- Develop a replicable Tier-II / III city model for similar Tourism / Religious-Tourism Cities.
- Employ ex-servicewomen, war widows and SHG women and Create women-led micro enterprises.

3. First List of Potential Woloo Sites to Choose From

Please see the attached Excel file – for detailed estimate of foot fall.

3.1 Priority 1 Sites

PONDICHERRY WOLOO - POTENTIAL SITES (PRIORITY 1)								
S No.	Location Type	Suggested Area	Rationale	Annual Daily Average	Conversion to Woloo		Authority / Stakeholder for Permission	Remarks
					%			
1	Beach Boulevard	Promenade Beach / Rock Beach	Highest tourist density	4,500	10%	450	Puducherry Tourism Dept, Puducherry Municipality, PWD Coastal Division	The sites are all within 2-3 km radius; next to sea shore; White Town area; highest tourist and temple pilgrim footfall - round the year
2	Tourist Hub	Sri Aurobindo Ashram and nearby Areas	tourists & pilgrims	2,300	10%	230	Sri Aurobindo Ashram Trust, Puducherry Tourism Dept	
3	Temple Zone	Manakula Vinayagar Temple	Daily pilgrims	4,000	10%	400	Temple Administration, HR&CE Dept, Municipality	
4	Heritage Tourism	White Town (near SBI building)	Premium tourist audience	4,000	10%	400	Heritage Conservation Committee, Tourism Dept, Municipality	
5	Government Hospital	GH Pondicherry	Public utility demand	6,500	5%	325	Directorate of Health & Family Welfare, Puducherry Govt	
6	Government Hospital	JIPMER	Large daily visitors	4,500	10%	450	JIPMER Administration, Ministry of Health	
7	Tourist Spot	Paradise Beach Jetty	Heavy tourist and ferry traffic	2,000	10%	200	Tourism Dept, Boat House Authority	
8	Highway Entry	ECR Entry - Pondicherry (McDonalds)	Highway travellers	3,000	5%	150	McDonalds Management	
9	Hospital	Aravind Eye Hospital, Pondicherry	High patient inflow OPD	3,000	10%	300	Hospital Management	
10	A2B Restaurant Chain	Mahabalipuram	Popular transit place	2,000	20%	400	A2B Management	
11	Tourism Hub	Mahabalipuram Shore Temple Area	UNESCO heritage tourism, buses, foreign tourists	5,000	10%	500	ASI, Tamil Nadu Tourism Dept, Local Municipality	

3.2 Other Sites: Pondicherry

PONDICHERRY WOLOO - OTHER POTENTIAL SITES								
S No.	Location Type	Suggested Area	Rationale	Annual Daily Average	Conversion to Woloo		Authority / Stakeholder for Permission	Remarks
					%			
12	Bus Hub	New Bus Stand (Private buses)	Transit sanitation need	14,000	5%	700	Puducherry Road Transport Corporation (PRTC), Transport Dept	
13	Railway Station	Puducherry Railway Station	Tourist + transit traffic	3,000	10%	300	Southern Railway Division, Station Director	
14	Market Area	Nehru Street / Mission Street	Shopping district	6,500	5%	325	Puducherry Municipality, Local Traders Association	
15	Educational Institution	Pondicherry University (outside University in petrol bunk; Good student hangout places)	Students, women hostellers, visitors	2,000	10%	200	Pondicherry University Administration	
16	Tourist Spot	Botanical Garden	Family tourism and events	1,000	10%	100	Parks & Gardens Dept, Municipality	
17	Spiritual Tourism	Auroville Visitor Centre	International tourists and spiritual visitors	2,000	10%	200	Auroville Foundation, Tourism Dept	
18	Municipal Area	Bharathi Park	Public recreation area	1,600	10%	160	Puducherry Municipality, Tourism Dept	
19	Municipal Area	Goubert Market	Dense local shopper traffic	2,000	10%	200	Municipality, Market Association	

3.3 Potential Sites on Chennai – Pondicherry ECR (100 km stretch): Mahabalipuram included

Potential Sites in Chennai - Pondicherry ECR - high traffic road with Mahabalipuram as a major tourist spot - 100 km stretch								
S No.	Location Type	Suggested Area	Rationale	Annual Daily Average	Conversion to Woloo		Authority / Stakeholder for Permission	Remarks
					%			
20	Highway Fuel Station	IOCL ECR Fuel Station (Near Mahabalipuram)	Highway tourists and weekend traffic	2,000	10%	200	IOCL Dealer + NHAI	
21	Highway Fuel Station	HPCL Fuel Station (Kalpakkam Stretch ECR)	Chennai-Pondy corridor travellers	2,000	10%	200	HPCL Dealer + NHAI	
22	Highway Fuel Station	BPCL Fuel Station (Marakkanam Stretch ECR)	Long-distance highway movement	2,000	10%	200	BPCL Dealer + NHAI	
23	Tourism Hub	Mahabalipuram Bus Parking / Market Zone	Tourist transit and shopping cluster	2,000	10%	200	Town Panchayat, Tourism Dept	
24	Highway Transit	Poonjeri Toll / ECR Transit Stretch	Intercity highway travellers	2,000	10%	200	NHAI, Toll Operator	
25	Highway Transit	Mudaliarkuppam Boat House Stretch	Tourist and weekend vehicle movement	2,000	10%	200	Tourism Dept, PWD, Local Panchayat	

4. Priority CSR & Philanthropic Donor List

We are working to identify CSR Donor Institutions as follows:

- A. National level Companies with CSR Policies aligned to this domain.
- B. Local Companies that are likely to identify themselves with WoLoo them for women centric businesses.

4.1 National Companies (First List)

POTENTIAL CSR GRANT DONORS					
S No.	Potential Donor	Sector	Why They Are Strong Targets	Branding / Marketing Value for Them	Estimated Contribution Potential
NATIONAL COMPANIES WITH MATCHING CSR POLICIES					
1	Bharti Airtel Foundation	Telecom	Women safety + digital India positioning	Airtel Wi-Fi enabled WoLoo branding	₹50L-₹2 Cr
2	BSNL CSR	PSU Telecom	Government-linked public infrastructure support	Public utility branding	₹50L-₹1 Cr
3	Indian Oil Corporation CSR	PSU Energy	Existing WoLoo alignment with fuel stations	ECR Highway WoLoo co-branding	₹1-2 Cr
4	HPCL CSR	PSU Energy	Highway traveller sanitation alignment	"HP Clean Travel Corridor"	₹50L-₹1 Cr
5	Reliance Industries Foundation	Telecom/Retail/ Energy	Strong ESG + public infra focus; Jio visibility opportunity	"Jio Smart Hygiene Zone" branding, Wi-Fi integration	₹1-3 Cr
6	BPCL CSR	PSU Energy	Existing sanitation and mobility focus	ECR tourist route branding	₹50L-₹1 Cr
34	ONGC CSR	PSU Energy	South India CSR deployment	ESG + coastal infrastructure	₹50L-₹2 Cr
7	State Bank of India Foundation	Banking PSU	Women empowerment and rural development focus	High public goodwill	₹50L-₹2 Cr
8	HDFC Bank Parivartan	Banking	Strong women-led livelihood CSR	Premium urban branding	₹1-2 Cr
9	ICICI Foundation	Banking	Smart city and social infra support	Urban ESG visibility	₹50L-₹1 Cr
10	Kotak Mahindra Bank CSR	Banking	Already aligned with relevant ESG themes	High visibility branding	₹50L-₹1 Cr
13	Tata Trusts	Philanthropy	India-scale social infrastructure interest	National impact showcase	₹2-5 Cr
14	Infosys Foundation	IT	Public infrastructure + women safety fit	Tech-enabled sanitation branding	₹1-2 Cr
15	Wipro Foundation	IT	Sustainability and urban inclusion	ESG + climate linkage	₹50L-₹1 Cr
16	Cognizant Foundation	IT	Chennai proximity and healthcare alignment	JIPMER-linked WoLoo branding	₹50L-₹1 Cr

4.2 Local Companies (First List)

LOCAL COMPANIES WITH STRONG BRAND PRESENCE					
S No.	Potential Donor	Sector	Why They Are Strong Targets	Branding / Marketing Value for Them	Estimated Contribution Potential
17	GRT Jewellers	Jewellery	Strong Tamil Nadu brand visibility ambitions	"Women Dignity Initiative by GRT"	₹50L–₹1 Cr
18	Joyalukkas Jewellery - Puducherry, Chennai	Jewellery	Women-centric brand positioning	Tourist + women-focused branding	₹50L–₹1 Cr
19	Sree Kumaran Thangamalgai	Jewellery	Regional Tamil brand with social outreach	Temple/tourism zone branding	₹25L–₹75L
20	Ram Thanganangai Maligai Jewellery Pondicherry	Jewellery	Strong local Pondy presence	Hyperlocal goodwill and footfall visibility	₹25L–₹50L
21	Le Pondy Beach Resort Pondicherry	Tourism/ Hospitality	Tourism hygiene directly impacts hospitality business	Beach WoLoo naming rights	₹25L–₹75L
22	The Promenade	Hospitality	White Town tourist visibility	Premium heritage branding	₹25L–₹50L
23	Grand Serenaa Hotel & Resorts	Hospitality	Auroville tourism linkage	Tourist wellness branding	₹25L–₹50L
24	Mani Electronics	Electronics Retail	Strong local brand recall	Smart hygiene + digital branding	₹25L–₹50L
25	Darling Retail - Electronics, Mobile	Electronics Retail	Large consumer-facing brand	Family/public utility branding	₹25L–₹75L
26	Reliance Digital	Electronics/Retail	Reliance ecosystem synergy	Smart city tech integration	₹25L–₹50L
27	Sevvi Construction	Real Estate/ Construction	Public infrastructure visibility	Construction partner branding	₹25L–₹50L
28	Jeno Maran Builders Pvt. Ltd.	Real Estate	Urban development positioning	City infrastructure goodwill	₹25L–₹50L
29	Ega Realty	Real Estate	ECR and premium residential presence	Smart urban living branding	₹25L–₹50L
30	Rotary Clubs of Puducherry	Service Organisation	Strong sanitation and public welfare focus	Joint community ownership	₹10L–₹50L
31	Lions Club Puducherry	Service Organisation	Public health and women welfare activities	Civic impact branding	₹10L–₹25L
32	Puducherry Smart City Mission	Government/ Urban Infra	Sanitation + tourism alignment	Smart city showcase project	₹50L–₹2 Cr
33	Puducherry Tourism Department	Government	Tourism infrastructure enhancement	Tourist destination improvement	₹50L–₹1 Cr
35	Neyveli Lignite Corporation CSR	PSU Energy	Regional PSU with large CSR budgets	Tamil Nadu regional impact visibility	₹1–3 Cr

4.3 High Probability Targets

These are most likely to fund quickly because of strong visibility and ESG alignment:

- National Level
 - Airtel Foundation
 - IOCL / HPCL / BPCL
 - HDFC Bank
 - Tata Trusts
 - Reliance Foundation
- Local Prominent Business Groups
 - The Promenade
 - Le Pondy Resorts
 - GRT Jewellers
 - Joyalukkas
 - Jeno Maran Builders
 - Puducherry Smart City Mission

4.4 Sponsorship Packaging Strategy

Sponsorship Level	Contribution	Offer
Title Partner	₹2–5 Cr	Naming rights across all 10 units
Zone Sponsor	₹50L–₹1 Cr	Branding on 1–2 landmark units
Unit Sponsor	₹50L	Full branding on one WoLoo
Smart Hygiene Partner	₹25L+	Digital screens + app branding
Women Dignity Partner	₹10L–₹25L	CSR recognition panels

4.5 Strong Marketing Hooks for Donors (to be worked upon with Woloo Team)

Tourism Visibility

- Beach Road
- White Town
- Auroville
- ECR Highway

Smart City + Swachh Bharat Alignment. This makes approvals and co-branding easier with public institutions. (pondicherrySMARTCITY.IN)

Women Safety Positioning “Safe sanitation for women travellers”

High Footfall Branding. One WoLoo unit can generate:

- 1–2 lakh physical impressions/month
- Tourist social media visibility
- QR-based engagement

ESG & BRSR Reporting. Companies can directly report:

- SDG impact
- Women beneficiaries
- Urban sanitation metrics

The Puducherry pilot offers unusually high branding value because of tourist visibility, White Town heritage traffic, ECR highway movement and association with healthcare/spiritual tourism.

5. WoLoo Units – Multi-stream Revenue Model (Puducherry)

This is sample working for the high footfall unit (Beach Unit)

5.1 Summary

The WoLoo Beach Boulevard / White Town Unit is designed as a premium “Smart Hygiene + Wellness Retail” destination combining sanitation, tourism convenience, women-focused services and healthy retail.

The strategy is to create a financially sustainable urban utility through multiple recurring revenue streams leveraging:

- High beach tourist footfall
- White Town heritage tourism
- Auroville wellness ecosystem
- ECR traveler movement
- Women safety and convenience infrastructure

The model generates revenue not only from pay-and-use sanitation but also from café operations, wellness retail, advertising and tourism convenience services.

5.2 Suggested Revenue Model

ESTIMATED REVENUE PER MONTH: BEACH UNIT				
Revenue Stream	Line Items / Products	Numbers /day	Rate	Monthly Revenue Estimate
1. Pay & Use Toilet Revenue	300 users/day @ ₹20 average usage fee	300	20	₹ 1,80,000
2. Café & Beverage Revenue	Healthy organic drinks, soups, filter coffee, tea, wellness beverages	100	20	₹ 60,000
3. Healthy Snack & Wellness Retail	Millet bars, ragi crisps, premium makhana, jackfruit chips, palm jaggery snacks, herbal crackers, premium dry fruits	50	60	₹ 90,000
4. Women Essentials Retail	Sanitary pads, wipes, cosmetics, toiletries, travel essentials, chargers, umbrellas	20	60	₹ 36,000
5. Digital & Branding Revenue	CSR branding panels, tourism advertising, telecom branding, Wi-Fi sponsorship, digital display advertising	20	50	₹ 30,000
TOTAL MONTHLY REVENUE ESTIMATED				₹ 3,96,000

5.3 Suggested Strategic Positioning: WoLoo Wellness Retail Model

The WoLoo Beach Unit should operate as:

- A premium sanitation facility
- A women safety infrastructure point
- A wellness café and retail outlet
- A tourism convenience Centre
- A CSR and ESG branding destination

The long-term opportunity is to build a distinctive “WoLoo Wellness Retail” model, integrating:

- Healthy Puducherry products
- Women-led SHG retail
- Tourism infrastructure
- Smart sanitation technology
- CSR-funded public utility branding

6. To be worked upon with Woloo Team

6.1 Woloo Unit Dimensioning based on location and footfall and variabilities across seasons

6.2 Financials (to be worked upon with Woloo Team)

- Capex / Opex
- Revenue Potential per unit
- Risks and Mitigations

6.3 Project timelines

6.4 Technology Components

6.5 Strategies to improve revenue and profitability per unit

7. Long-Term Scaling Opportunity

The Pondicherry pilot can become the template for other Tier II/ III Temple / Tourist Towns:

- Madurai
- Tirupati
- Trichy
- Rameswaram
- Thanjavur
- Chidambaram
- Kanyakumari
- And other Temple towns in Tamil Nadu and Karnataka

Appendix A: WoLoo Pondicherry Operations Framework

10 Smart WoLoo Units – Operations, Staffing, Hiring & Training Model

A.1 Organisational Structure – Pondicherry Cluster

Role	Number	Responsibility
City Leader	1	Overall city operations & government coordination
Cluster / SHG Heads	2	Each manages 5 units
Retail Staff	20–24	Customer service, café & retail
Cleaning Staff	20–24	Hygiene maintenance
Maintenance Technician	1	Repairs & utilities
Accounts & Admin Support	1	Reporting & compliance

A.2 Leadership & Social Inclusion Model

The Pondicherry WoLoo model will be designed as a women-led livelihood and dignity initiative aligned with Gramonnati Trust's vision of engaging ex-servicemen families and war widows in nation-building through public hygiene infrastructure.

A.3 Staff Details

Position	Preferred Profile
City Leader	Retired Woman Officer from Army / Navy / Air Force
Cluster / SHG Heads	War widows / family members of ex-servicemen with leadership or entrepreneurial experience
Retail & Café Staff	War widows / daughters / spouses of ex-servicemen with suitable customer service and retail capabilities
Cleaning Staff	Women SHGs and economically vulnerable women from local communities

This structure creates:

- Dignified employment
- Community trust
- Operational discipline
- Strong women leadership
- Social impact linked to armed forces welfare

A.4 Unit Staffing Structure

Standard Units (8–10 Hour Operations)

Role	Number per Unit
Cleaning Staff	2
Retail / Café Staff	2
Total	4

Beach & High Footfall Units (16 Hour Operations)

Role	Number per Unit
Cleaning Staff	3
Retail / Café Staff	3
Total	6

Role	Preferred Profile	Key Responsibilities
A. City Leader	Retired Woman Officer from Army / Navy / Air Force with leadership, administration or hospitality experience	Overall supervision of all 10 WoLoo units; government & municipal coordination; CSR reporting & partner management; SOP implementation; vendor management; recruitment oversight; financial monitoring; public relations & media coordination; escalation management
B. Cluster / SHG Heads (Each Managing 5 Units)	War widows / family members of ex-servicemen with leadership, entrepreneurial or SHG management experience	Daily inspection of units; staff attendance & rostering; inventory management; cash reconciliation; hygiene audits; customer grievance handling; retail stock replenishment; mentoring staff; community engagement; operational reporting to City Leader
C. Retail / Café Staff	War widows / daughters / spouses of ex-servicemen with suitable retail, hospitality or customer service experience	Managing retail counter; café & beverage operations; billing & digital payments; customer interaction; tourist assistance; product display management; upselling retail products; maintaining premium customer experience
D. Cleaning Staff	Women SHGs and economically vulnerable women from local communities	Toilet cleaning every 30–45 minutes; consumable refilling; odour management; waste disposal; hygiene maintenance; reporting repairs/issues; maintaining baby care/changing rooms; ensuring water availability
E. Maintenance Technician	Local technical resource with plumbing/electrical experience	Repairs, electrical maintenance, plumbing support, equipment servicing and utility maintenance
F. Accounts & Admin Support	Administrative support staff with accounting knowledge	Billing support, payroll assistance, reporting, vendor documentation and compliance support

A.5 Hiring Plan and Recruitment Sources

Role	Recruitment Source
City Leader	Ex-servicemen networks (through AWPO)
Cluster Heads	Through AWPO, Zila Sainik Boards, war widow associations
Retail Staff	Through AWPO Campaign, Ex-servicemen family networks, women entrepreneur groups
Cleaning Staff	Women SHGs & local communities; Pondicherry Swachh Bharat Abhiyan
Maintenance	Local technical vendors

A.6 Training Framework (to be worked upon with Woloo Team)

Retail Staff -

Special Leadership Training for Cluster Heads: Modules

- Team leadership
- Public interaction
- Women safety protocols
- Reporting systems
- Inventory & revenue management
- Discipline & escalation management

A.7 Operational Strategy

The Pondicherry WoLoo model combines:

- Military-style discipline
- Women-led operations
- Hospitality-quality customer service
- Smart-city hygiene standards
- SHG livelihood generation

The engagement of war widows and ex-servicemen families creates a unique identity for the project — transforming WoLoo from a sanitation utility into a socially respected public infrastructure initiative with strong national and CSR appeal.
